

Team Storm™ White & Black

Show off your affiliation with the Storm Nation with either of these two flashy polyester bowling balls.

New for 2010, the LIMITED EDITION Team Storm White brings back a flash from the past by using the Optical Block™ and encasing it with the Ultra Clear™ coverstock. This same weight block shape was used by Jason Belmonte to help win his first National PBA Title. To help commemorate that occasion, we added the two handed bowler's silhouette logo to the back side imagery of the ball.

Go Team Storm!
