

**STORM**  
THE BOWLER'S COMPANY™

Don't be left out in the freezing cold  
— TURN UP THE HEAT!

This new line of bowling balls raises the standard in performance at a value price. The power behind the Tropical HEAT™ is the highly successful Turbine™ core from previous Hot™ line balls like the Fast™ and Furious™. This mid-RG and mid-differential core boasts a tighter spin radius for quick revving mid-lane and enhanced entry angle to the pocket.

Reactor™ series coverstock adds the perfect complement to the Tropical HEAT™. This performance proven coverstock continues to be a staple in the Storm® line by delivering the ideal blend of friction and power.
