BEFORE

AFTER

*"The results are amazing!  
The Surface Factory™ is fast,  
it's clean, and it frees me up to  
spend more time with my customers."*

— DON WRIGHT, THE WRIGHT APPROACH

- Innovative design and features allow the customer to select the exact finishing texture of their bowling ball.
- Works equally well with all types of coverstocks... Reactive, Particle, Urethane, and Polyester.
- With four high-impact wheels, it can be easily moved at any time.
- Keep your customers happy and your business profitable.

Comes with the Surface Factory Service Kit™ which includes:

- 20 Abralon™ 500, 1,000, and 2,000-grit pads
- 3 Polishing pads (not shown)
- 1 Gallon Super Shine Polish™
- 1 Gallon Super Concentrate Cleaner™
- 1 Measuring cup (not shown)
