Resurfacing to a 1500-grit Polished Factory Finish

Resurface to the original factory finish using a ball spinner.
1. 500-grit Abralon® - Sand for 30 seconds on all four sides with firm pressure.
2. 1000-grit Abralon® - Sand for 20 seconds on all four sides with light pressure.
3. 2000-grit Abralon® - Sand for 20 seconds on all four sides with light pressure.
4. 4000-grit Abralon® - Sand for 20 seconds on all four sides with light pressure.
5. Storm Step Two™ - Polish lightly for 15 seconds each side.

Storm recommends using the suggested cleaner/polish daily. Storm also recommends touching up the surface with only the final step every 20 games and resurfacing completely every 30-50 games.
