

Iron Cross

R4S Solid Reactive

3000-grit Abralon®

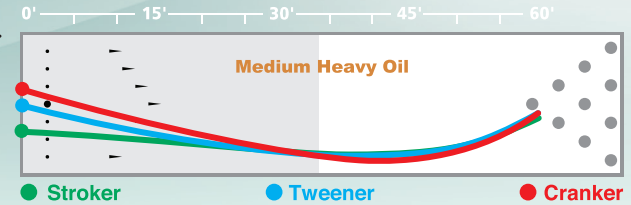

## FIGHT™

- New coverstock technology is always exciting, and this one aims to please. A textured fourth generation aggressive material, R4S™ performs like a champ.
- The new Iron Cross™ design is the **LARGEST WEIGHT BLOCK EVER** to come out of Brigham City, Utah! Few shapes can produce this much flare without revving up early.
- With Storm's new Fight in your hand, those cute little white pins at the end of the lane won't be putting up much of a fight anymore.
