Controll Plus
Pearl Urethane

2000-grit Abralon®

\$ 888.88

PITCH BLUE™

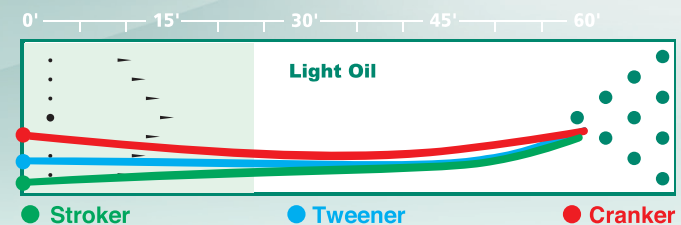

- The new Controll™ Plus Pearl Urethane features a 2000-grit matte finish that is cleaner through the heads than the original Pitch Black™ and more responsive down lane without losing that urethane “look”
- The smooth-rolling Capacitor™ Core regulates your flare potential to ensure predictability
- The Pitch Blue by Storm combines proven technology principles of yesterday with modern day science
