

ALL-ROAD™

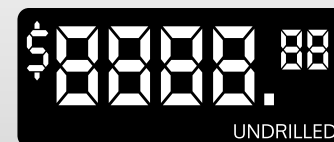

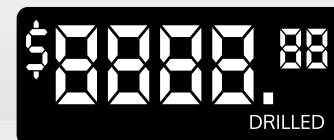

We took the longest tenured bowling ball in our line-up, the Hy-Road, and made it better! We added the unique NRG coverstock to the popular Inverted FE² Weight block and created a ball perfect for all styles of bowlers on a multitude of oil patterns. One thing is for sure: All-Roads lead to victory!

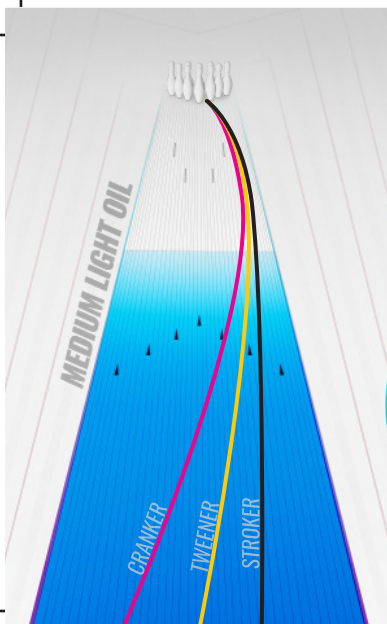

• 4000-grit Abralon® • NRG™ Hybrid Reactive • Inverted Fe² Technology™

16 lb	15 lb	14 lb	13 lb	12 lb
2.52	2.57	2.58	2.59	2.65
.058	.046	.037	.045	.035
