DIFF	.035	.045	.051	.049	.047

## PRO-MOTION B SKINATURE TORM

**DRILLED** 

UNDRILLED

To create this very special PRO-Motion, Storm teamed up with the best bowler in the world, Jason Belmonte. The result; a weight block design that is unique and benefits bowlers of all styles. We wrapped the core with our SPEC coverstock which ignores heavy oil and maintains strong motion through the backends. You have to experience it to believe it!
