

# SPECTRE™

**SMELL ME! CANDY CANE COOKIE**

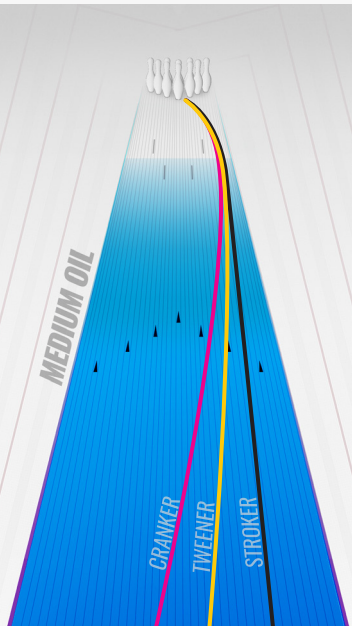

The newest installment of the Thunder™ Line, the Spectre features the cutting-edge Vector Core that was designed to be used by the most scrutinous competitor. Add the 1500-grit polished R3S coverstock which gives you the control needed to attack each shot with confidence, you can rest assured that you're going to get just enough skid to push through the front part of the lane cleanly without sacrificing the traction needed to control the midlane and break point.

From the moment you drill up a Storm ball, you are sure to feel the power inside.
