

# BE AN IDOL

- **Ikon™ Core:** A distinctly low RG symmetrical shape with a high differential, giving every shot more flare to burst through pins.
- **eTrax-p18™ Pearl Reactive Coverstock:** The perfect balance of heavy oil handling and friction response.
- **Factory finish:** 1500-grit polished surface
- **Lane condition:** Worthy of its title, this ball gives a star performance on almost any lane condition—particularly those with medium to medium-heavy oil.
