

MVP™ Pearl

MVP™ PEARL

- **Ball Color:** Royal / Golden / White
- **Neutron NXT™ Core:** Due to the higher RG value and medium core differential, this core produces plenty of tumble which translates to plenty of down lane motion into the pins.
- **VTC-P19™ Pearl Reactive Coverstock:** Provides more responsiveness down lane with improved durability and performance.
- **Factory Finish:** 1500-grit Polished
- **Engineered For:** Light to Medium Oil Conditions.
