

OMEGA CRUX™

The moment you roll the new Omega Crux, you'll know that there is something really special with this one! The combination of the Catalyst Core and GI-20 Coverstock creates a smoother glide through the heads and a more angular motion off the spot, maximizing performance in today's complex bowling environment.

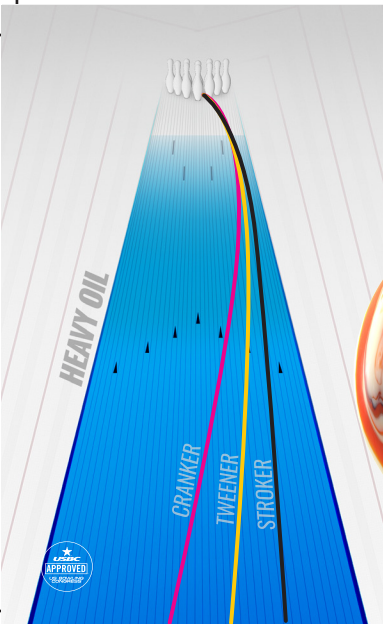

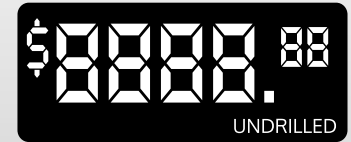

- 3000-grit Abralon® • GI-20™ Pearl Reactive • Catalyst™ Core

16 lb	15 lb	14 lb	13 lb	12 lb
2.50	2.50	2.54	2.57	2.59
.051	.052	.050	.032	.029
.016	.017	.015	.010	.008
