

## Ordnance C4™

The S70™ Hybrid Coverstock utilizes equal parts solid and pearl. This will give the bowler the perfect balance of length and backend.

Shrapnel 2.0™  
Symmetric Core

S70™  
Hybrid Reactive Coverstock  
4000 Abralon

The Shrapnel 2.0™ Symmetric Core will generate easy revolutions off of your hand. The shape of this ball will be one of the most predictable on the market today.

Use the Ordnance C4™ as your control ball on all medium conditions!!
