

# RST™ X-2

- **Ball Color:** Tanzanite
- **RST™ Core:** Tour players naturally tend to migrate to those balls that offer more core torque and less initial deflection through the pins.
- **eTrax™ PLUS Pearl Reactive Coverstock:** Provides a larger footprint throughout the entire lane without reducing the responsiveness to friction down lane.
- **Factory Finish:** Reacta Gloss™
- **Engineered For:** Medium Oil – Medium/Heavy Oil Conditions
