

Storm Products, Inc. is excited to announce that we are now accepting applications for the 2017/18 Collegiate Sponsorship Program. Applications will close **July 31, 2017** and sponsorship announcements will be made **August 21, 2017**.

During the 2016/17 season, Storm sponsored 43 college teams. Due to the resounding success of this program we will continue our support of collegiate bowling. Please submit only one application per team (Men's and Women's) and indicate in the appropriate field if you are interested in Storm, Roto Grip, or either sponsorship.

Teams will receive a set amount of sponsored equipment along with the ability to purchase additional products including balls, bags, apparel, and accessories at our reduced collegiate pricing which includes shipping. To be considered for Collegiate Sponsorship from Storm or Roto Grip, please complete the collegiate sponsorship application below and forward it to Diandra Asbaty, Storm Collegiate Manager, at diandra@iabowling.com.

Storm Products, Inc. is a proud partner of collegiate bowling.

Please mail any additional requests or information to:
