Resurfacing to a 3500-grit Factory Finish

Resurface to the original factory finish using a ball spinner.
1. 500-grit Abralon™ pad - Sand for 15 seconds on all four sides.
2. 1000-grit Abralon™ pad - Sand for 20 seconds on all four sides.
3. 2000-grit Abralon™ pad - Sand for 25 seconds on all four sides.
4. 4000-grit Abralon™ pad - Sand for 30 seconds on all four sides.
5. Storm® Xtra Shine™ - Polish for 30 seconds on two sides.

Storm recommends using the suggested cleaner/polish daily. Storm also recommends touching up the surface with only the final step every 20 games and resurfacing completely every 30-50 games.

Use Xtra Clean™ after every session.
