

LIMITED TWO YEAR WARRANTY – BOWLING BALLS

Congratulations on the purchase of your new Storm bowling ball. Storm Products, Inc. prides itself on manufacturing the highest quality bowling balls in the industry today and warrants them to be free of defective workmanship and/or materials when used for the purpose intended, under normal conditions and provided they have been cared for properly. All merchandise protected under this warranty must be returned, with a sales slip showing date of purchase, to the dealer from whom it was purchased. This warranty does not cover incidental costs including, but not limited to, freight, measuring, and drilling.

Storm agrees to replace this ball if at any time during the warranty period it is found to be defective in material and/or workmanship. Storm Products, Inc. shall for no reason be responsible for any damage caused by the following:

- The distance between the edge of any hole and the edge of the pin being less than 1"
- Plugging of the ball
- Improper installation of inserts for the fingers and/or thumb
 - The top of each hole must be adequately beveled
 - A non-excessive amount of adhesive/super glue should be used
- A bridge that has been weakened by holes that intersect or by being too narrow
 - A minimum $\frac{3}{4}$ " difference in lateral pitches must be used
 - The width of the bridge being less than $\frac{1}{4}$ "
- Holes lacking sufficient bevel
- Damage caused by pinsetters, ball return systems, gutters and/or lanes
- Bowler abuse
- Exposure to extreme temperatures (above 125°F or below 40°F)

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
