

SUPER NOVA™

SMELL ME!
FRUIT POP

Performance happens when bowler and ball work together as one. When the ball becomes an extension of the bowler's will. The Super Nova is extraordinary by design showcasing the dynamically intense Ignition Core that enables better versatility on a wider array of oil patterns. We paired it with our NeX™ Solid Reactive coverstock to combine robust midlane read while maintaining the strong entry angle needed to maximize your pin carry. Be Super like a Nova!
