WOLVERINE™

The always reliable S70™ Cover has been optimized for max length on medium conditions. By offering it in a pearl version, we have ensured ease through the heads. Maximum energy will be released on the backend. The all new Lacerate 2.0™ symmetric core combines two of the greatest Global cores of all time, the Honey Badger and Badger, into the definitive skid/flip ball reaction within the Global product line.

RIP AND SHRED THE COMPETITION

COVER	CORE	FINISH
S70 PEARL	LACERATE 2.0 SYMMETRIC	1500-GRIT POLISHED

LB	RG	DIFF
16	2.53	0.051
15	2.54	0.053
14	2.54	0.052
13	2.59	0.045
12	2.65	0.035
