

HP <sup>4</sup> HIGH PERFORMANCE

# EXOTIC GEM™

- **Ball Color:** Citrine / Apatite / Amethyst
- **Defiant™ LRG Core:** We were able to create the fastest revving, strongest continuing, lowest RG asymmetrical core ever offered from Roto Grip.
- **MicroTrax™ Pearl Reactive:** Defined as our most aggressive coverstock chemistry due to the full load of nanoparticles, this pearlized version will provide ease through the front of the lane, before digging into the midlane and providing response to friction down lane.
- **Factory Finish:** Reacta Gloss™
- **Engineered For:** Medium/Heavy Oil Conditions
